Admissions Process

We are currently accepting applications for Preschool, Elementary and Jr. High (18 months through 8th grade) for the 2023-24 academic year.

For new and returning preschool students please complete a paper registration packet. Packets can be picked up at the front office.

Enrolling your child at OKCS involves these steps:

1. **Current** Elementary & Jr. High students: Log-in to Family Portal for re-enrollment.
2. **New** Elementary & Jr. High students:

Go to [OKCS - FACTS MANAGEMENT](#), the link will migrate you to our FACTS Management site. There is a tab located at the top labeled “Family Log In”, under that tab you will find the FACTS Family Portal which will direct you to the enrollment page. A prompt will open in which it requires a district code which is **OL-CA**.

- a. It is important to Mr. Rhodes that he meets all of our new families to share the heart and vision of OKCS. If you’ll be enrolling your child in K-8th grade for the first time, please contact the office to schedule a meeting with Principal Rhodes.
3. Once you’ve completed the online enrollment, please go to the office to pay the registration and book fees. For **Kindergarten**, you will need to have the oral assessment form, a physician’s physical report, and current immunizations. For **NEW STUDENTS** other than Kindergarteners, please fill out a cumulative record request with the front office.

***No student will be admitted until all of these steps are complete**

Family Portal District Code: OL-CA
